Dear Sir -

I saw
in Wednesday's Traveller Apr
16 - whatever might be contrib-
-uted for the colored people
would be acknowledged by you.

I enclose \$100. - one hundred-
dollars - hoping that these
homeless & destitute people - who
are fleeing from outrage - will
find homes - freedom - & safety
in the west

From what I have read &
heard of you - I feel confident -
you will do what is right -
with the enclosed check -

Please acknowledge } Respectfully Yours
the receipt of this } Mary Hollis
by letter - Braintree - Mass -
